GROWING TOGETHER

## Getting to know our ministry

### OUR VISION

ONE Waupun is a community of Christian men committed to letting the gospel permeate every part of our lives through meaningful, authentic relationships. Our goal is to grow in faith, live out the gospel, and reach those not yet actively following Jesus Christ. We aim to model genuine discipleship in our neighborhoods and challenge the common stereotypes about Christianity with love and grace.

### OUR MISSION

To equip men to bless and bring joy to our community.

### SERVE Waupun

At ONE Waupun, we take joy in serving as the hands and feet of Jesus—particularly by helping the elderly and low-income residents in our community. We focus on tasks that are often too small for contractors, including:

- **Landscaping & garden work**
- **Home improvement & house cleaning**
- **Friendly visits**

Most projects are quick (1–3 hours), with volunteers serving every 2–3 months. All work is based in Waupun, Alto, or Fox Lake. We welcome men and women to join our volunteer network— together, we can make a lasting difference through small, intentional acts of kindness.

## ONE Waupun Mentorships

In today's world, many men struggle with discouragement and loneliness. At ONE Waupun, we offer a mentorship program where men walk alongside others, providing friendship, encouragement, and support in a safe, confidential environment.

- **Need someone to talk to?** We're here for you—you don't have to walk this journey alone.
- **Want to make a difference?** If you feel called to invest in others, join us in this ministry. Together, we can uplift and strengthen one another through Christ.

## Connections Breakfasts

Our monthly Connections Breakfast continues to grow, now averaging over 30 men each month! To better accommodate the group, we've moved to Main Street Bistro in Waupun, where Todd & Shae Cupery serve a fantastic breakfast. Each session features 30 minutes of encouragement through a personal testimony or a thought-provoking video. The whole event wraps up in just one hour, leaving plenty of time for the rest of your day.

*Come as you are: No need to commit every month—each gathering stands alone. Whether it's your first time or fiftieth, we'd love to have you join us!*

## The ONE Conference "Following the Way"

Mark your calendars: The ONE Conference is happening on Saturday, March 8 at the Green Lake Conference Center! Last year, we hosted men from 31 churches across 18 communities, leading us to rename the event from "ONE Waupun Conference" to the "ONE Conference."

This year's lineup features:

- Chris Gibson – Program Manager, World Renew, Grand Rapids, MI
- Karl Kramer – Senior Pastor, Community Church, Oshkosh, WI

Attendees can expect a day filled with powerful worship, meaningful fellowship, and delicious food. Join us for this life-giving event!
