## Annual Men's Conference

We had another great conference on March 8 with 140 registered attendees from 20 communities and 33 different churches. It was held at the Green Lake Conference Center and included the following:

- Praise & Worship throughout the day led by Greg Schuringa, the Pastor at First Christian Reformed Church in Waupun.
- Four, 35 minute messages that built on each other as the day progressed. Two of these messages were given by Chris Gibson, the Director for the World Renew Disaster Response Services team in Grand Rapids, MI. The other two messages were given by Karl Kramer, the Senior Pastor at Community Church in Oshkosh.
- A delicious noon buffet in the beautiful dining hall at the conference center.
- There was also time for small group discussion and prayer for the men in our communities.
- The day included lots of opportunities for fellowship. It was great catching up with old friends while also getting to know many new men.

This year's conference was titled "Following The Way." Throughout the day, we took a close look at the life of Jesus and challenged the men on what it meant to truly be a follower of Christ.

*"This was the first time I attended a ONE Waupun Conference. I really enjoyed digging deep into God's word along with other men from so many other churches. I learned so much and will make plans to be back next year!" - Conference Attendee*

## Connections Breakfasts

People were created for community. We are created in the image of God and God is a relational God. **Our monthly Connections Breakfasts** are a great way to connect with Christian men of all ages from different churches. It is great to reconnect with old friends and to meet new friends. Every month, there are new people that come for the very first time. Some of our regulars travel nearly 45 minutes to join us.

**Come as you are:** You don't need to commit every month -- each gathering stands alone, so you won't feel like an outsider if you only attend from time to time. Whether it's your first time or tenth, we'd love to have you join us!

We start with a delicious breakfast made from scratch by Todd Cupery in his cheery dining room. Then, we stroll back to the worship center where we sing a few songs and then hear a powerful message. We start at **7:30am** and typically finish around **8:30am** so you still have your entire day to complete your Saturday tasks.

Over the past months, we enjoyed praise and worship led by Mitchell Olthoff and Noah Cupery. We have been challenged by powerful testimonials from Seth Mensah and Gregg Zonnefeld. We have watched messages from Lee Strobel, Max Lucado, and Andy Stanley.

### Volunteers Needed

Over the past several years, we have been blessed with the opportunity to serve many people in our community. Our primary focus has been on the elderly and low-income residents of Waupun, Alto and Fox Lake.

Most projects take 1-2 hours. We would love to have you sign up for one of these projects per month but even if you can only do 2 projects per year, we value your assistance!
