

ONE Waupun Hosts 6th Annual Men's Conference

ONE Waupun recently held its **6th annual men's conference** on Saturday, March 7 at the **Green Lake Conference Center**. This year's theme, "*The Undivided Man: moving from who you are to who you were created to be,*" spoke directly to the realities many men face today.

Life pulls us in many directions—distractions, responsibilities, and expectations never seem to slow down. Over time, it's easy to feel a divide between who we are and who we're called to be. This conference created space for men to step away from the noise, slow down, and consider what it means to live with an undivided heart.

We were honored to welcome **Aaron Baart**, Chief of Staff at Dordt University, and **Jon DeWaal**, Founder of Liminal Space, as our speakers. Their conversational, shared-stage approach fostered authenticity, vulnerability, and meaningful discussion.

One attendee shared:

"The vulnerability Aaron and Jon showed set the stage for some of the most meaningful table discussions I've experienced. I left with a stronger conviction to pursue real transformation."

This year, **154 men attended**, including **over 50 first-time participants**. One first-time attendee said:

"I had never attended something like this before—it was an amazing experience and is already helping me trust the Lord with key challenges in my life."

We are grateful for how God is working through this event and encouraged by the growing number of men seeking deeper faith, authentic community, and lasting transformation.

Men's Community Nights: Built for Men Who Want to Go Deeper

Men's Community Nights are intentional evening gatherings for men who want to grow in their faith and walk alongside other men who will challenge and encourage them.

These nights capture the heart of our full-day conferences—**biblical teaching, guided discussion, worship, prayer, and shared fellowship**—in a focused **2-3 hour format**. By removing unnecessary barriers, we're creating a space that fits into real life while still offering depth, purpose, and meaningful connection.

We plan to offer these gatherings **quarterly**, providing a consistent rhythm for men to stay engaged, build relationships, and continue growing in their walk with Christ.

In the midst of busy schedules and daily responsibilities, these evenings offer a chance to slow down, be real, and pursue spiritual growth in authentic community.

Our first Community Night is scheduled for **May 12 at Main Street Bistro in Waupun**.

If you're ready to go deeper in your faith and build lasting relationships, we invite you to join us.

Welcome Cody Christenson to the ONE Waupun Team

We are excited to welcome **Cody Christenson** as the newest member of the ONE Waupun team. Cody is a devoted husband and father of two, and an active member of Grace and Truth Christian Fellowship in Fond du Lac.

He works full-time at Right Choice Improvements and also shares content on his YouTube channel, Purpose Over Comfort, where he encourages others to pursue a deeper, more intentional faith.

Cody enjoys playing basketball and connecting with other Christian men, with a passion for growing in his own faith and investing in the lives of others. His heart for discipleship and authentic community aligns closely with the mission of ONE Waupun.

Although Cody lives and works in the Fond du Lac area, he has quickly become involved with ONE Waupun. Because of his passion for Christ and his unique skill set, we are excited to have him join our team.

"I'm truly excited to be part of the ONE Waupun team. Growing in community with other christian men is something I'm passionate about. I'm looking forward to growing myself as well as hopefully encouraging and challenging others to do the same!"
